

# InGobbo Events

InGobo Events is a professional wedding and event planning, production & design company.

We value creating one of kind event experiences.

Based in SoCal with connections reaching all over the nation and beyond.

## ABOUT US

InGobo Events was founded officially in 2019.

As the Founder Christina Bogino (I--N-G-O-B-O), I have 9 years of professional Event experience with many more to come!

With a bachelors of science in hospitality management from Calpoly Pomona and years of experience throughout the industry we are uniquely qualified to guide clients in planning a successful and safe event while staying true to their vision.

# Full Service Planning

This package is crafted for professionals who want to work hand in hand with a wedding professional. Every detail from initial planning through the final toast is taken care of, allowing you to enjoy a worry-free wedding day and planning process.

## DETAILS

InGobo Events makes the wedding planning process simplified and streamlined by working 1 on 1 with clients to truly understand their vision.

Among the services provided is selecting the perfect location, development of a unifying theme, while creating and managing your dashboard and check lists. This package provides a true end to end style service. Presenting you with custom options to suite your specific wedding style and needs.

# Partial Planning

This package is great for couples who are busy but would like to be hands on in the planning process. We become a wedding planning team, InGobo Events is your professional wedding coach guiding you to wedding success.

## DETAILS

InGobo Events will lead you through the steps leading up to and continuing through the wedding day. Advise on invitations, vendors, and etiquette are just a small part of the expertise provided. Giving you all the tools you need to efficiently and effectively plan your completely unique wedding experience.

# Total Coordination

Our Coordination package is designed for the couple that is taking the time and care to plan their own wedding and wants it to have a flawless finish.

## DETAILS

This Package provides two months of services, maintaining advice and supervision that ensure a perfect wedding day. This includes introductory Organizing and Preparation, Vendor Management & Coordination, Wedding Rehearsal direction and organization, and our gold standard day-of services.
